## Corporate Services

### Staffing and Recruiting

We help with all your permanent and temporary staffing needs. We provide you with the top candidates in their field.

### Cultural Awareness and Competence

Social activities and business etiquette are as important as balance sheets and deadlines. We provide seminars on the importance of mastering your corporate culture and business etiquette, helping you to solidify and advance in your job.

If you'd like, we will supplement and leverage your company's existing employee orientation and other educational programs, to minimize costs.

### Effective Communication and Workplace Etiquette

Master the art of verbal and non verbal communication. Practice your non verbal mannerisms to help project confidence and trust.

### Art of Networking

The ability to network effectively can boost your image and career. We will provide you with simple strategies to help build and nurture new relationships.

### Dress Code Development - Business Formal Vs Business Casual

Developing and implementing a distinctive dress code is critical to establishing a strong public image. The corporate dress code should match your corporate culture and the image your company wants to project. We assist you in developing your policy and helping your employees to adopt it.

### Career Counseling

We help provide your professionals with the competitive edge they need to help advance their careers and your company's goals.

### One on One Executive Coaching

We provide highly specialized assistance in helping your employees manage their professional image.

### **Individual Services**

We help men and women achieve their personal and professional image goals by helping them look and feel their best through our highly customized services. Most services can be bundled to save you money. You can also purchase gift cards. Invite us to your next event by hosting a Color, Style or Makeup group event. It is fun, interactive, and a cost effective way to take advantage of our services.

#### **Image and Style Coaching**

We will either reinvent your image or simply update it—the choice is yours. We will perform an initial needs assessment as a platform for taking the next step. You have your own personal image and style and we will help you define it and project it.

#### **Wardrobe Audit, Planning and Update**

We will perform a closet audit in your home. We can assist you in developing capsule wardrobes which are a cost effective way to create many outfits with only a handful of wardrobe pieces.

#### **Special Occasion Styling**

If you host or attend a special event, we will help you look and feel your best. Whether you are attending a wedding, a formal, corporate event or just simply planning an event we can help.

#### **Color Analysis**

Color analysis is the process of determining the colors that best suit and enhance an individual's natural coloring. Based upon your skin tone, eye color and hair we will suggest the best colors to make your skin and eyes glow.

#### **Body Shape Analysis**

Dress for your body shape. We can show you how to emphasize your best points and minimize the others. We will also show you which fabrics and fashion styles work best for your body shape.

#### **Personal Shopping**

We can be your expert shopper and help you select the best pieces for you. You save money because we will help you create wardrobe capsules. Too busy? We will bring the items to your home, office or hotel room.
